2014 Pride of the Ozarks

Marching Invitational

Sept. 27th 2014

Performance order will be done by postmark. Next year, class champions will choose performance slots and everyone else will be by postmark. Consideration is also given for bands that travel more than 150 miles.

OHS Stadium

The Ozark High School Stadium seats 3000 spectators on the home side and 1500 on the student side. It is a turf field with a large press box for a great high angle recording of your band. The field has standard High School hashes and end zones.

Clinics

Clinics are done for each band after a performance. Directors can choose to have the whole band attend the clinic or just have the director and staff attend. One of the clinicians will give a basic critique of the show along with showing a video of the performance. The clinician will talk with the students and the directors about various ways of improvement in anything from basic execution to design elements and overall effectiveness of their show.

Finals

Finals bands will consist of the top 12 scores on the day regardless of class. Any class champion that does not score in the top 12 will have an exhibition performance in finals.
