We are Rex Barker, Director of Performing Arts and Instrumental Music at Midland University and Doug Bogatz, Director of Instrumental Music at Fremont High School and we are thrilled to announce the first annual **Fremont Marching Showcase!**

On Saturday, September 22, Fremont High School and Midland University will be hosting this non-scored, non-competitive event in order to provide local marching bands a performance opportunity and quality feedback prior to festivals and competitions in October.

Beginning at noon, each band will work with **one or more clinicians** for a non-uniformed **60 minute block** to gain feedback from all angles of the performance process including warm-ups and stretches.

At 7pm, all bands will perform in a **showcase** at **Heedum Field** and will receive taped comments from all clinicians. This will also give your young marchers performance and travel experience outside your home field and an opportunity to watch other local groups - an invaluable asset heading into October!

To sign up, please fill out this Google Form completely: <https://goo.gl/forms/JwQECRCVrI9h1wjq1>. You will be invoiced the \$125 participation fee once the entry is in. **All bands will receive a video and plaque after the performance.** Special spirit awards will be handed out as well, including Outstanding Drum Major and Spirit of the Band Award.

If you have any questions, please don't hesitate to contact me at doug.bogatz@fpsmail.org or Rex Barker at barker@midlandu.edu.

We hope to see you out here for this exciting event!
