If you are coming from Tulsa, the Verdigris School system can be reached by traveling east on I-44 to Highway 66 through Catoosa and continue 4 miles. Verdigris is located on the east side of Highway 66. Turn East at BancFirst and follow road around until you see the lights at the football field.

A 30 minute warm-up time will be allowed for each band. We ask that you leave all instrument cases on your bus.

Awards will be given to all bands receiving a Superior rating.
