March 26, 2018

It is time to register for StarFest 2018! StarFest is a premier marching band festival hosted by the Sioux City North High School Band and will be held on Saturday, September 29, at Elwood Olsen Stadium on the campus of Morningside College.

Area high schools compete or march in exhibition for judge scoring, comments and trophies with separate divisions for Class 1A, 2A, 3A and 4A. Competing bands are judged in the Preliminary round to earn a spot in the Finals round. We will also include a drumline exhibition between the Preliminary and Final rounds. There will be full concessions available during the event.

It's a super family event with tons of entertainment. Gate prices are only \$10 for adults and \$6 for seniors and students.

The registration fee remains the same at \$175. Please complete the registration form on the following page and return it with your registration fee by June 15. Schedules with practice times and places and performance times as well as maps of the stadium and surrounding area will be sent closer to the event.

Information for each band will be printed in our program. This information can be emailed to me at the address below or by mail. We will need this information by August 20. Please include the number of members in your band, your class, honors and awards, director's names, drum major's names, your show title and musical selections.

If you have any questions, please let me know. We look forward to seeing you on September 29.

Sincerely,

Faith Hall
Director of Bands
