

Southern Boone Marching Classic

October 20, 2018

General Information –

- Thank you for coming out to SBMC this year. Our hope is that you find our event educational and enjoyable. Our mission is to help your program grow through quality critique and a fun atmosphere.
- We have 4 events lined up for the Marching Classic: Parade, Indoor Guard, Indoor Drum Line, and Field Show.
- There will be a hospitality room for Directors and Drivers.
- This is our second year of the Classic and there may be some hiccups along the way. We will do our best to resolve these quickly and do our best to not compromise the quality of your experience.
- We will have some delicious concessions available at the stadium. Please advertise this to your students. We understand tailgating is part of marching band, but would really encourage everyone to grab a bite to eat to help support our band event be a successful fundraiser.
- Parking will be assigned upon arrival, but we will go off of the general outline included in this packet. We are making plans to give you ample space for all your vehicles and trailers according to the entry forms.
- Judges' comments and sheets will be provided at the end of the performances.
- If something goes horribly wrong for you, please let us know and we will do our best to help you out. I've been in the position where a drum head breaks last minute or I forgot to pack the crash cymbals before. We are here to help.
- NEW THIS YEAR... There is a community festival going on in the city park. Feel free to walk around and take in our community event too. This may also mean a bit more congestion for parking.
